2014 – 2015 SCHOOL YEAR

Dear Parents and Guardians,

Welcome to Thorp School, where we are dedicated to the academic, social, and emotional growth of all our students, pre-school through high school! We are committed to providing our students with a challenging and nurturing environment for learning. Whether your child is returning for another school year or this is your first year at Thorp Schools, we are looking forward to an exciting year together!

Studies show that parental involvement in a child's education is one of the strongest indicators of a student's achievement. We hope you will make it a priority to attend as many school-sponsored events as possible!

We invite you to come and grow with us, as we partner with you to strive continually for excellence!

In the **Student's First Day Packet** are school policies, important notifications, and forms for you and your child to complete.
