Superintendent Andrew Perkins went over the WSSDA Policy & Legal New July 2019 issue. Perkins explained that WSSDA waits until the legislative session is over, goes over the new laws, takes a look at the policies and procedures, and then issues guidance to school boards on what changes they need to make. The essential and some encouraged policies and procedures will be adopted by the board during the next four months. The main topics discussed by the board were changes in graduation requirements, new HIB rules, medication requirements for school, and homeless definition and rights.

Adjourn at 7:30 p.m.
