New Student Registration

Dear Parents and Guardians,

Welcome to Thorp School, where we are dedicated to the academic, social, and emotional growth of all our students, pre-school through high school! We are committed to providing our students with a challenging and nurturing environment for learning. We invite you to come and grow with us, as we partner with you to strive continually for excellence!

We are excited to get to know you and your child. Studies show that parental involvement in a child's education is one of the strongest indicators of a student's achievement. We hope you will make it a priority to attend as many school-sponsored events as possible!

Attached you will find a **Registration Packet**. Please return the completed forms to the school office. If at any time you have questions or concerns, always feel free to contact the teacher and/or give the school office a call.

Registration documents that are required prior to starting school:

- Student Registration Form**
- Student Health Inventory Form**
- Certificate of Immunization Status Form – this form must be complete and signed by the parent or guardian. **No student will be allowed to attend school without a completed and signed Certificate of Immunization Status Form or a signed Certificate of Exemption Form, Washington State Law.***
- First Day Pack of Student Forms – to be completed and returned within five days.**

Sincerely,

Andrew M. Perkins
Superintendent/Principal
