

Child Find

Any child, birth to five, whose family has concerns about their child's development and lives in the district can contact our office to receive a free Child Find Screening.

- Are you worried about your child's development?
 - Does your child have difficulty communicating with people outside the family?
 - Does your child have difficulty keeping up with other children their age?
 - Does your child have concerning behaviors?
 - Does your child have a medical disorder or birth defect that interferes with their development?
 - Does your child seem to have hearing or vision issues?

WHAT HAPPENS DURING A CHILD FIND SCREENING?

The purpose of a Child Find Screening is to identify issues that may affect your child's learning, growth, and development and to help parents identify their child's strengths and weaknesses. Potential outcomes of a screening include recommendations for the family to implement in the home, a recommendation for a comprehensive evaluation through the school district, or a referral to a community agency for support.
