

SYMPTOM FLOWCHART

Reminder: Please call the school and let us know your if your student will be out sick

Pathway 1

My student has only ONE of the symptoms listed

NURSE ASSESSMENT MAY BE NEEDED

Symptoms have a variety of causes and having just one symptom may not be a reason for concern. As long as your student is feeling alright, they may stay at school.

Does not apply to fever, vomiting, or diarrhea; these symptoms require Pathways 2 or 3.

If your student is not feeling well or it is affecting their school day significantly, they may need to go home.

Pathway 2

My student ONLY has vomiting and/or diarrhea

CANNOT BE AT SCHOOL

Many different viral illnesses can cause diarrhea and vomiting.
If your student is vomiting and/or has diarrhea, they need to stay home until 24 hours after symptoms have resolved without use of medication.

If more symptoms or fever start, please follow pathway 3.

Pathway 3

My student has a fever of 100.4 or higher OR has two or more listed symptoms

CANNOT BE AT SCHOOL

Student is too ill to be at school and needs to stay home until they meet the following criteria:

- Fever-free for 24 hours without use of medication
- Symptoms SIGNIFICANTLY improved
- Test for COVID recommended

Pathway 4

My student's symptoms are consistent with their documented pre-existing health condition

CAN STAY AT SCHOOL

Students' pre-existing health conditions documented by their healthcare provider should be communicated to the nurses.

Symptoms

- Fever
- Vomiting
- Diarrhea
- Loss of taste/smell
- Runny nose/congestion
- Sore throat
- Muscle/body aches
- Fatigue
- Chills

DOH requires school notification for all positive tests of students and staff. Please contact the school nurse for current COVID-positive requirements for return.

- COVID testing can be performed at school with parent/guardian written consent or can be performed at home; DOH requires schools be notified for all positive tests
- Individuals with fever CANNOT attend school regardless of cause, must follow Pathway 3
- Special thanks to Cle Elum-Roslyn School District for flowchart template
